

# CARBON CALCULATOR DATA CHECKLIST

This checklist has been developed to help you gather the information you will need to complete the carbon calculator. **You do not need to have information for every item listed below.**

In the case that you do not use a fuel source or own a certain type of vehicle, please enter a zero (0) that will indicate “not applicable.”

Where applicable, write down your answers in the blanks provided so your information is ready for you when you want to complete the carbon calculator.

The carbon calculator can be completed at: **[gbr.ca/carbon-calculator](http://gbr.ca/carbon-calculator)**
